

Annual Meeting for Digital Technologies

INTERNATIONAL BUSINESS FORUM (IBF)

17 & 18 November 2010 - Corum – Montpellier

IDATE CONFERENCES, where it's happening in the digital world:

- A central theme: **'Who's paying for the Internet of the future?'**
 - **Renowned speakers** in the ITC sector
 - Over **1200 delegates** and nearly **200 speakers**
- An international **debating** platform around the Internet, Telecoms and Media

IBF DIGIWORLD SUMMIT, the business event at the centre of the conferences:

- **Targeted business meetings** with **companies** from **the South of France** ...
- **Getting down to business essentials** in optimal meeting conditions
- A dedicated **IBF zone** at the centre of the DigiWorld Summit to welcome you and **optimise your business**

The IBF 'Sud de France Export 2009', a proven success as a business forum:

- **400 business meetings** organised in **2 days**
- **18 innovative companies** from the **South of France**
- **50 business partners**

100% Business – 100% Looking to the Future

▪ Personalised support to optimise your time

- Analysing and responding to your needs
- Identifying your future partners
- Connecting you with companies offering solutions that meet your needs

▪ Targeted and confirmed business meetings, fully organised

- An interactive IT platform for consulting and selecting the profiles of companies you wish to meet
- Your B2B meetings programme sorted in 30 minutes with your selection of companies
- A meeting space in a professional and convivial setting

▪ Privileged access to...

- The international conferences of IDATE's DigiWorld Summit
- Networking evenings
- Organised visits to Languedoc-Roussillon's must-see high-tech sites: Montpellier Business Incubator, Business & Innovation Center, IBM, Institut Télécom...

▪ Optimising your business trip:

- Managing your flights and accommodation
- Welcoming you the moment you arrive at the airport
- Organising your stay when you are there

THE IBF GIVES YOU, AS A MINIMUM, ENOUGH TIME TO:

- **DISCOVER THE LATEST INNOVATIONS IN YOUR SECTOR**
 - **MEET YOUR FUTURE BUSINESS PARTNERS**
